We're gratified to report that our traditional flagship event, having overcome threatening weather on June 5, turned out to be a solid success. We attracted 112 pre-registered cars, augmented by another 118 entrants who registered their cars at the gate. We're grateful to all those who volunteered their time and effort to help make our Day another memorable one. Some of them are pictured on the following pages.

The list of Awards Winners is being posted, along with this Special Supplement, on our Chapter's web site. To consult them, please go to:

*We thank Vicki Leonard and Jon Tokar for sharing their photographs of this event.*
